Wonder if Frank Freeman has seen the misspelled word in the entrance way to the Winchester Mystery House: In large letters it says, "The Only Knowen Picture of Mrs. Sarah Winchester."

★ ★ ★

Interest of the spectators on Sunday was divided between the curiosities of the unusual (department of understatement) house and the difficulties of the two youthful guides. One was apparently breaking the other in to the intricacies of guide work and having a bad time of it. The neophyte would get half-way through his memorized but halting speech and then say, "Oh Joe, you finish," and retreat to the next room with a blush.

★ ★ ★

A piece of incidental intelligence has been brought to our attention which we were unable to classify. It may be record breaking or it may typify man's loyalty—Bozo Dubchich has used the same razor for 33 consecutive years!

★ ★ ★

A seven-year-old boy in the grocery store the other evennig was telling an admiring group that he had, that day, baked and iced a surprise birthday cake for his mother. Someone asked him how many candles he was going to put on it and the small gentleman drew himself up and said, "Don't you know it isn't polite to ask a grown-up's age?"

★ ★ ★

In the story in today's paper about the Kuykendall fire, mention of a "down-pour" seems to have sneaked in. We are getting braced for a flood of letters from our northern subscribers who will claim our letters and newspaper don't jibe.

★ ★ ★

When J. M. Dahl moves to his new offices shortly after the first of the year, the large and graceful fern in his office will go too, but we wonder how. In a wheelbarrow, perhaps?

★ ★ ★

The Christmas Snow Man in Rachel's who has been a bachelor for four long years has taken unto himself a wife and we don't blame him a bit for she is a most attractive wench in a red hat.

Now that the remodeling of The Press office has begun any mistakes in the paper may be due to large chunks of plaster falling unexpectedly on the editor's head.

F. J. Grass, owner of the Standard Dairy on Almaden Road in San Jose, has been named representative from this area on the California Dairy Industry Advisory Board, it has been announced by A. A. Brock, State Director of Agriculture.

As a member of the board, Grass will take part in the board's duty of recommending to the State Department of Agricultural Research advertising and educational programs to assist the industry in solving its post-war problems, a program financed by the dairy industry. Grass is president of the Santa Clara County Milk Dealers' Association.

On Sunday evening Mr. and Mrs. Ira Grim welcomed home their son, Capt. Francis Arnold Grim, U. S. Army Corps, his wife and baby daughter. About to receive his discharge from the service, Captain Grim and his family plan on making their home in Campbell.

Please NOTE

In order to give you more news of Campbell . . . on time . . . and also because of the increased size of the paper we will be unable to accept any news stories or meeting notices after 6 p. m. Tuesday.

Campbell Theater To Hold Bond Premiere

In conjunction with the Victory Loan Drive, the Campbell Theater will have a Victory Bond Premiere Dec. 5 at 8:30 p. m., and every bond purchaser will be entitled to a ticket.

Guy Farley, leader of the drive, announces that those purchasers who bought their bonds before the announcement of the show was made may receive their tickets by bringing bond receipts presented to them by the solicitors to Mr. Farley's office.

Selected as the attraction for the premiere is the film "Captain Eddie," featuring Fred MacMurray, and telling the life story of the national hero, Eddie Rickenbacker.

According to Vern Balcon, manager of the Campbell Theater, 20th Century Fox, producers of the picture, took three years to complete the movie, taking meticulous care to preserve and capture historical accuracies. Balcon says, "The result of this careful workmanship is an expert picture as American hot dogs and cokes.

"Rickenbacker's life story is in the Horatio Alger tradition and in the development of the film, which of necessity touches on highlights, the part Rickenbacker played in the advancement of the automobile from those early days when horses snorted—and so did people—is conveyed in broad and interesting strokes, including fully-seized opportunities for comedy. The picture goes on to automobile racing and then the enveloping interest in aviation ,and his subsequent carer in World War I and later in civilian aviation.

" 'Captain Eddie' is the narration, in terms of undeniable entertainment and popular appeal, of a man who rose to national prominnece and a hero's acclaim. It is made up of the essential steps which led into his full-blown career. It espouses no cause, makes no pronouncement, takes no stand about anything or anybody, pro or con, unless it is Rickenbacker's faith in the good of the machine age for makind."

Bonds may be purchased from solicitors, the Postoffice or from Farley in his office. A telephone call will bring a solicitor. At the time of going to press, one-third of Campbell's quota had been purchased.

El Camino To Be Improved

Lester Gibson, State Highway Engineer for the Santa Barbara, San Luis Obispo and Monterey Counties District of the Mission Trails area, recently stated that much work is planned on US Highway 101—"El Camino Real" 'and the tributary lanes.

Immediate plans call for the elimination of several bad bottlenecks with over-all plans that will see an eventual widening and straightening of great stretches of this route.

"It must be remembered," said Mr. Gibson, "that this is a long range plan and will take several years to complete. However, the fact that the State is acquiring right-of-way for the development of these projects, is proof that it is not just a dream but a real project that will, in time, give the Mission Trails one of the finest main arteries in the West."

The appointment of a strong highway committee to work with the State Highway Commission on the development of the plans, is one of the things planned for the coming convention of the California Mission Trails Association to be held in January, 1946.

To celebrate the anniversary of her second year as owner and operator of "Rachel's" Miss Rachel Spradling entertained her staff and their husbands at dinner at the Tennessee Inn on Sunday, Nov. 18.

Campbell To Have Forums

The Congregational and Methodist Churches are launching a significant group of Church Community Forums to be held once a month on Sunday evenings. The plan is to bring to Campbell outstanding authorities on the contemporary world scene. This is a real need in Campbell since at present there is no community forum. The Congregational and Methodist churches believe that this is one way in which they can serve Campbell.

The frist Church Community Forum will be held Sunday evening, Dec. 9. The speaker for the evening will be Dr. Buell Gordon Gallagher. Dr. Gallagher was for ten years president of Talladega College in Alabama. For the past two years he has been professor of Christian Ethics at the Pacific Schol of Religion. Dr. Gallagher is an authority on race and his book, "The Negro College a nd the American Caste System" is recognized by the educators and anthropologists as one of the authoritative books on race. At present Dr. Gallagher is research director for a group of 13 radio programs over CBS dealing with minority groups on the Pacific Coast. Dr. Gallagher will speak in Campbell on "One World or No World", emphasizing the implications of the atomic bomb for western civilization.

Woman Averts Fire

The Campbell fire department responded to a call last Thursday to find that the quick thinking and resourcefulness of Mrs. W. F. Grattan had averted a serious blaze in the home of Mr. and Mrs. H. K. Kuykendall, 75 Harrison. Escaping gas in a defective gas stove in the Kuykendall kitchen ignited and caused a blaze. Mrs. Grattan, a neighbor, rushed to her house and found a pipe wrench and, in spite of the severe downpour which was in progress at the time, crawled under the porch and turned off the gas. The fire about the stove was quickly smothered with flour and firemen found only negligible damage.

Jay Potts, aviation metalsmith, second class, 22 Empey Way, and shipmates on the eocsrt carrier USS Manila Bay helped take that vessel through action in the Pacific from the Marshall across the ocean to Okinawa, and finally to the northern coast of Japan for occupation duties, the Navy's histories of its ships, now being revised, have disclosed.

One of a handful of small carriers that fought a major portion of the Jap fleet in the Battle for Leyte Gulf, the Manila Bay and her planes played their final role in the war with the units assigned to the occupation of northern Honshu and Hokkaido.

While surrender ceremonies were being held, her planes flew protective cover over the admiral's flagship, then roamed the skies on rescue missions to supply food to newly discovered prisoner-of-war camps in Hokkaido.

The Manila Bay joined the occupation units after a trip from the Aleutians, where she had been assigned following the Okinawa campaign.

Niel Sellers, Campbell, has been elected Regional Director of District VII of the California State Employees' Association. He will represent State employees in Santa Clara, Santa Cruz, San Benito and Monterey Counties. Sellers is employed at Agnews State Hospital.

Mrs. Samuel Arnone who has been living at the home of her sister, Mrs. F. C. Baber, during her Army husband's absence overseas, will leave soon for Seattle to meet her husband who is expected home from Japan in the near future.

The "Press" Office To Be Renovated

As a fitting celebration for 50 years' existence in Campbell and in tune with the renovating and sprucing up around town, The Campbell Press will take over the space formerly occupied by Walter Smiley's radio shop and the entire place will be renovated and redecorated. Morning Light Lodge No. 42, owners of the building, are installing new wiring and Fir-tex walls and ceiling, designed to deaden noise. New lighting fixtures will facilitate working conditions nad fresh paint will brighten The Press shop and highlight a glass partitioned office to be installed.

Many other Campbell establishments are undergoing major and minor alterations. L. E. Garcia's new showroom will soon be completed and the outside of his plumbing and heating store has already been painted. McCoy's Shell Service is planning improvements for display purposes, and J. M. Dahl's new real estate office next door to The Press is rapidly approaching completion. The Campbell Theater has added an illuminated sign over the door for the current attraction.

The Conley Real Estate Company's renovated office at Campbell Ave. and Second St., has been completed for several weeks. The Campbell Market is having shelving added and Clark's-Drugs is planning first-of-the-year expansion. The Cobblestone Grocery on the San Jose-Los Gatos road, has completed renovations which include cobblestone fronts on their three structures.

Another recently finished project by Campbell business men, is Mr. L. C. Fairchild's newly decorated prescription department in the Campbell Pharmacy. Ethan Lanphear is adding a new porch to his hotel also.

Bucs Defeat Santa Clara

Wayne Buck's perfect kick from placement enabled the Campbell High School Buccaneers to eke out a 7 to 6 victory over Santa Clara High School at Townsend Field last Friday night in an important SCVAL contest. The victory keeps Walt Hill's Bucs in the thick of the championship race. After a scoreless first half which saw both teams threaten to score at least once, Campbell's left end Levi Estrada grabbed off a Santa Clara lateral in the Panther secondary and raced 56 yards down field to place the Bucs ahead. Buck booted the winning point from placement, giving Campbell a 7-0 lead.

Early in the fourth quarter, Quarterback Don Ouelette faked a kick and passed to Leroy Pasquinelli, which, coupled with a lateral, sent Bill Ashton bounding into the end zone to give Elmer Johnson's boys a sixer. The play was good for 37 yards. The conversion attempt was unsuccessful.

Santa Clara was knocking at the Buccaneer goal line as the final gun sounded. Pasquinelli, Arlen Oliver and Ouelette leading the Panthers in a 70 yard march which fell short of a touchdown by five yards as the game ended.

Pasquinelli, Oliver, Ouelette, Jim Nevis and Captain Nick Mayer played starring roles for the Blue and Gold Panthers, while Ends Ed Bersano and Dewey Kosich, Al Miller, Mac Martin, Buck, Dick Cotta, Orville Gunsaulis, and George Gleted played well for the Bucs.

Mr. and Mrs. L. E. Garcia have as their guests during the holidays, Mrs. Garcia's sister, Mrs. Josephine Blackwell and her son, Teddy, of Oxnard.

Mr. Paul Becker is spending the Thanksgiving holidays with her family in San Luis Obispo.

Council Adopts Zoning Plan For Campbell

Of interest to Campbell residents was the discussion Monday of the Santa Clara County Board of Supervisors on the zoning of Campbell, following the completion of hearings by the County Planning Commission.

Capt. Joseph McGushion and Paul Oesor, commercial chicken raisers, presented objections to the zoning proposals, contending that their establishments would become non-conforming under the zoning plan and they would be unable to expand their businesses.

The zoning plan was finally adopted by the Supervisors, on the motion of Joseph McKinnon, but the planning commission was ordered to hold immediate hearings on rezoning the portion of the area occupied by the Oesor and McGushion properties and their immediate neighborhood.

Zoning limits were defined as Moorpark Ave., San Jose - Los Gatos Road, Dry Creek and the Santa Clara-Los Gatos Road. At the same session the board passed an ordinace creating a new business zone at the intersection of Campbell Ave. and the San Jose-Los Gatos Road.

The application of Bart Guttormson for a cardroom permit at 9 Railroad Ave., which was denied some months ago, was referred to Sheriff William J. Emig.

Schools Receive Appropriations

Elementary school districts in Santa Clara County received $1,613,147 from the State for the current fiscal year, compared with $1,297,062 for last year, 1944-45, California Taxpayers' Association announced, making public its analysis of State apportionments to the elementary schools.

State aid to the school districts in the county this year was based on 20,089 pupils in average daily attendance, compared with 19,444 attendance for last year. State aid to the elementary districts in the county averaged $80.30 per pupil this year, compared with $66.69 last year.

The Campbell Union elementary school district received $92,644 from the State, based on 1056 average daily attendance this year. Last year's apportionment to the district was $69,762 based on 980 average daily attendance.

For the State as a whole, the total apportionment to the elementary school districts for the current fiscal year is $65,219,246, an average of $82.83 for each of the 787,347 pupils in average daily attendance. Last year the State apportionment was $50,676,686, an average of $67.49 for 750,325 pupils.

The 1943 legislature upped support from an average of about $60 per pupil to about $66, the association said. The people in 1944 raised State aid to elementary schools to $80. The 1945 distribution plan provides that districts with a low assessed value receive a larger share of the increased State support than those with a larger valuation per pupil.

"Every increase in public expenditure means an increase in taxes by some governmental unit," the Taxpayers' Association said. "Increases in State aids to local governments should keep local tax levies down."

Mrs. B. O. Curry, Parry Ave., had as her guests for a few days her son, Lieut. (J. G.) David Curry, USN, and his wife, the former Miss Alice Colton of Salt Lake City. Lieutenant Curry recently returned from Manila.

Two Campbell men who have recently been discharged from the Navy are James R. Provenzano, 205 Everett St., and Clement J. Augusitne, Rte. 2, Box 385.

To be fully aware of the worth of the good things in life, you cannot shut your eyes to the bad things. You have to be aware of them, accept them, study the possibilities of changing them, and learn something from them. Circumstances are very often beyond the control of the individual, but attitudes toward them are not.

And the real things we have to be thankful for are qualities, not circumstances anyway, and those always exist, in and out of war. Happy Thanksgiving Day.—Betty Haskell in the Carmel "Pine Cone".

EDITORIAL

The paper shortage of which we have all been reading gets grimmer and grimmer and many newspaper editors consider it the gravest problem that the press has ever faced. The cut in newsprint is due to a shortage of both labor and logs and affects both dailies and weeklies.

It is particularly a challenge to newspapers like The Campbell Press whose circulation is increasing by leaps and bounds and whose readers and advertisers are eager for a larger paper.

In a recent poll taken by the California Publishers' Association the majority of the daily newspaper publishers are in favor of continued government control of newsprint distribution. They believe if the government control was relaxed, not enough newsprint could be produced to give fair distribution to those who bought from mills operating at a low rate of production.

THANKSGIVING

By BUDE H. LITTLE

The first Thanksgiving in America was held by the Pilgrims in Plymouth in the autumn of 1621. Their first winter in the new country had been difficult, but they had survived its cold and want to clear and plow and plant their fields in the spring. They had gratefully watched the growing of their crops through the summer and in the fall gathered in an abundant harvest. Governor William Bradford decreed that they hold a day of thanksgiving. During the course of the Revolutionary War, days of thanksgiving and prayer were frequently recommended, and, at the close of the conflict, many of the states continued the custom. However, it was not until Lincoln proclaimed the last Thursday of November, 1864, a national thanksgiving that it became a nationwide annual affair.

Our founding fathers were men of deep religious convictions. After experiencing opposition, lack of freedom, and persecutions as a result of those ideals, they were, therefore, eager to endure the dangers and hardships of coming to America and establishing a way of life, a society, that would provide this liberty for which they so earnestly longed. Religious freedom was cherished and developed in the colonial period and was included in the American Bill of Rights.

Since these early Americans believed in God and recognized their dependency upon Him, it was only natural that their overflowing gratitude for His bountiful blessings be expressed, not only as individuals but as a group, also. We, too, have much for which to be thankful. We are heirs of the richest heritage in the world. Religious, political, and economic liberties daily enjoyed by us are denied millions of others.

Let us beware of taking these for granted. They have been purchased with a price that cannot be measured. Robert Ley, Nazi leader, is reported to have said regarding the defeat of Germany, "We forsook God; we were, therefore, forsaken by Him." May we always remember that religious freedom is the cornerstone of American democracy. Let us strive to be worthy of that democracy.

BARUCH PREDICTS INFLATION

WASHINGTON.—Elder Statesman Bernie Baruch revealed some interesting figures on inflation recently in an off-the-record session with 14 younger congressmen at his Shoreham hotel apartment. Baruch's prediction was that the nation was hell-bent for inflation—and soon.

Piecemeal increaeses in wages, profits nad the cost of living have been uneven, Baruch said, with wages lagging behind. For that reason he no longer favored his pre-war idea of a freeze on both prices and wages. Our only hope, said the elder statesman, is that we can weather the next six to nine months without runnnig into serious inflation, if we do that, our chances of a strong recovery from the war boom are good.

"The huge pent-up demand for products which we will see during the next nine months, is a very serious threat," said Baruch, stressing the importance of holding prices down.

He amazed his listeners by saying that he is completely opposed to tax reduction of any nature at this time. "Not only does the government lose needed revenus, but it is an unhealthy thing for our general economy," argued Baruch.

Rep. Andy Biemiller of Milwaukee asked what Baruch thought of the statement by General Motors' president C. E. Wilson that if wages are raised 30 per cent, prices must go up 30 per cent. Baruch talked at some length on the general question of rising prices, but gave no direct answer. Finally, Biemiller repeated his question.

"I'm afraid I can't agree with Mr. Wilson," Baruch said.

WAGE NOT PRICE INCREASE

"Isn't it true that industry can give a 30 per cent wage increase without having to raise prices more than about 7½ per cent?" Biemiller persisted.

"You are approximately right," Baruch agred. "I believe the figure you may have heard is actually 8½ per cent."

Baruch also told his guests that he felt we were making a mistake in speeding manpower demobilization. "With the world in its present situation," he said, "it sems to me it would be wiser to proceed slowly with demobilization, in order that we not weaken ourselves at a time when power is apparently still an important thing."

He agreed also with an idea proposed by one of his guests, Estes Kefauver of Chattanooga, to have cabinet members and other high officials appear on the floor of Congress where they can be questioned by congressmen. Such a practice would make for much greater cooperation between the executive and legislative departments, Baruch said.

Present in addition to Biemiller and Kefauver were Representatives, Albert Gore and Percy Priest of Tennesse, John Sparkman of Alabama, Mike Mansfield of Montana, Henry Jackson of Washington, Jerry Voorhis and Chet Holifield of California, Bob Sikes of Florida, Mike Monroney of Oklahoma, and Jamie Whitten and Arthur Winstead of Mississippi.

CHURCHILL IN DEFAT

Winston Churchill recently told friends how he felt after his defeat in the British elections. The first few days after his defeat were terrible, Churchill confessed. The very next morning he a rose and fretted because there were no diplomatic cables to read. Through the war, his first morning chore was to read the top-secret military and diplomatic cables from all over the empire; and he paced up and down intermittently for days, fretting because there were no cables coming in and because, though he felt things were going wrong, there was no one to whom he could send cables to straighten things out.

"Finally I went down to the south of France," Churchill confessed. "They treated me well there. I painted several pictures and they fed me some wonderful food. But I still couldn't get over this idea of no cables coming in and no cables going out. Each morning I fretted when I read the papers. 'But finally one morning I felt better. It suddenly dawned on me that I wasn't prime minister any more and it wasn't my worry, and I've felt better ever since."

The Methodist and Congregational choirs will unite under the direction of Mrs. Rex Fuller. The Rev. Mr. Lawrence Osborne of the Methodist church will bring the Thanksgiving message—"The Spirit of Thanksgiving". The Rev. Mr. Hugh Jones, former minister of the Westminster Presbyterian church, San Jose, and now executive of the Lake Tahoe Commission for the Presbyterian Denomination, will share in the service. The Rev. Mr. Robert Carlson of the Congregational church will preside.

Everyone is extended a cordial invitation to offer praises to God at the service. This is the first union Thanksgiving service to be held in years and it is hoped that it will become an annual event.

Browns' Home Scene of Wedding

A simple home ceremony united in marriage Miss Arline Adele Storm of San Diego and R. M. 2/c James Logan Jones, also of San Diego, at the home of the bridegroom's uncle and aunt, Mr. and Mrs. N. W. Brown, North Campbell Ave., Campbell, on Nov. 16. Mr. Bude Little of the Campbell Church of Christ performed the rites.

The bride was attired in a chartreuse suit with saddle brown accessories and her corsage was made up of two lavendar orchids.

Matron of honor was Mrs. Robert Carney of Los Gatos, cousin of the bridegrom, who wore a blue suit with black accessories and a gardenia corsage.

The groom had as his best man a shipmate, Norman Holloway, who served with Radioman Jones for 17 months in the Pacific fighting area in a sub-chaser.

Decorations carried out the naval theme, using an old ship's bell and chrysanthemums in autumn colors. The three-tiered wedding cake was topped by a tiny sailor and bride ornament.

The young couple met while attending Sweetwater High School near San Diego.

The bride, only daughter of Mr. and Mrs. Maurice Storm of Encenitas, California, has been employed as saleslady in one of the business firms at that place.

The groom, eldest son of Mr. and Mrs. L. H. Jones of San Diego, attended Pepperdine College in Los Angeles for one year, after which he enlisted in the Navy in which he has served for the past 28 months. During this time his sub-chaser took part in five major island invasions.

Out of town guests included Mr. and Mrs. Maurice Storm of Encenitas; Mrs. G. H. Jones of San Diego; Mr. and Mrs. Paul Storm and daughter Lurlene of Fowler, California, and Dale Storm of U. S. M. C. stationed at Treasure Island.

The newly wed pair are spending their honeymoon at Brokdale Lodge in the Santa Cruz mountains.

Mr. and Mrs. T. A. Cutting will spend the Thanksgiving holiday with Dr. and Mrs. Windsor Cutting in Menlo Park.

Mr. and Mrs. Robert Burrow of Oakland will have Thanksgiving dinner with Mr. Burrows' parents, Mr. and Mrs. G. W. Burrow, Campbell, after attending the races at Bay Meadows.

Woman's Club Hold Meeting

Members of the Campbell Country Woman's Club met on Monday afternoon with Mrs. Carl Field presiding. The meeting opened with a patriotic song and pledge of allegiance led by Mrs. Ralph Hyde with Mrs. C. E. Hancock at the piano.

Mesdames Norman La Veque and A. Steindorf were voted to membership in the club.

Reports were given from standing committees. Mrs. Ralph Hyde as chairman of the USO committee reported that the club with the help of the Sigma Sigma Club had made and served 50 dozen sandwiches at the USO on Nov. 8. Those assisting for the Country Woman's Club were Mrs. Frank A. Coombs, chairman; Mesdames Joe C. Agostinho, A. C. Curries, J. W. Forward, Herbert M. Shadle, J. M. Dahl and Miss Mary Fablinger. Those assisting for the Sigma Sigma group were Miss Elsa Fetsch, chairman; Mesdames Fred Evans, William C. Henley, Klaude Block, Oliver C. Jensen, M. C. Ralston, John Duncan and Miss Ruby Anderson.

At the close of the business meeting the members gathered for Red Cross work under the direction of the chairman of the day, Mrs. H. W. Jensen assisted by Mesdames G. L. Husted, T. F. Rogers, M. E. Carlson and C. S. Kaneen. A group remained in the club room sewing on baby garments and a group gathered in Red Cross sewing room, IOOF building, to sew on utility bags.

The Mountain View Kiwanis Club were guests of the Campbell club at their regular Tuesday luncheon. Other guests were Clyde Fisher and Joe McKinnon of San Jose; Capt. Arnold Grim, and L. M. McQuesten of the High School faculty. The Rev. Lawrence Osborne was chairman and the guest speaker whose subject was "Getting Closer to God" was Roger Darling of San Jose.

Mrs. Dora Ross, who makes her home with the T. A. Cuttings, left Monday for Oakland to spend the Thanksgiving holidays at the home of her son, William Ross and his family. Since Mr. Ross and his sister, the former Elizabeth Ross, married a brother and sister, the family group for the occasion will include members from both sides of the families, and two great-grandmothers one of which is Mrs. Ross.

Fathers Meet With P. T. A.

Fathers of Campbell Union High School students were guests at the Fathers' Night meeting held Nov. 14 by the Campbell High P. T. A. unit.

The meeting was opened with Mr. C. P. Klassen, faculty member, leading in the pledge of allegiance, followed by song, with Nina Page at the piano.

Mrs. Dorothy Rich and Mrs. Joseph McGinty, well known in San Jose Light Opera Association, were introduced by program chairman, Alfred Weltz. With Mrs. McGinty accompanying at the piano, Mrs. Rich sang three songs for the pleasure of those present.

Striking a note of solemnity was the moment of silent prayer for Thora Chamberlain and family, an incident closely felt by all parents present.

Mrs. Earl Booker, president, presided over the business session. Usual routine reports were given, and Mrs. Harold Hocking was announced as the newly appointed historian. The unit voted in favor of lowering El Paradiso Council per capita tax to two cents. The freshman class won in the membership drive, and Anthony Gutto, freshman class president, accepted on behalf of the class the 10 dollars awarded by the P. T. A.

Dr. David MacKaye, head of adult education in San Jose and chief speaker of the evening, was introduced by Supt. James Dent. Dr. MacKaye spoke of "Adult Education As It is and As It Should Be", giving those present some tangible problems to think about.

Senior mothers were hostesses for the evening. Refreshments, consisting of apple pie a la mode, were served during the social hour.

Representing the Campbell High P. T. A. unit at the recent El Paradiso meeting held recently in Sunnyvale were Mesdames J. W. Knowles, Earl Booker, Clarence Fagalde, Anthony Jurras and John Perata.

A large group of Campbell women entertained with a no-host gift shower at the home of Mrs. Jack Murdock in honor of Mrs. Lowell Benson on Friday evening, Nov. 16. After refreshments, the group played whist.

Mrs. Hattie Bauch and Mr. and Mrs. Merlin Bohnett are spending Thanksgiving Day in Oakland with Mrs. Baugh's son, Clyde Bohnett, and his family.

Do you know what's missing from this picture?

If you're waiting for a telephone, what *isn't* in this picture may be far more important than what you see.

For although we are now getting and installing thousands of new telephone instruments, even more orders for service are being held up (and this may be the case with you) by a shortage of other facilities that take longer to build.

In many places, for example, we will have to build complicated new switchboards before we can provide telephone service . . . in others, we will even have to put up new buildings to house those switchboards.

But we are working full speed ahead, and no matter what the conditions are that are holding up your telephone, you can be certain we are doing everything we can to get to your name on the waiting list just as swiftly as possible.

CHRISTIAN SCIENCE

"Soul and Body" is the subject of the Christian Science Lesson-Sermon on Sunday, with the Golden Text from II Corinthians (5:1) "We know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens."

One of the Bible citations in the sermon is Romans 12:1, "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies in a living sacrifice, holy, acceptable unto God, which is your reasonable service."

Correlative to this verse is the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "As human thoughts changes from one stage to another of conscious pain and painlessness, sorrow and joy,—from fear to hope and from faith to understanding,—the visible manifestation will at last be man governed by Soul, not by material sense" (p. 125).

Eastern Star Meets

Campbell Chapter, Order of the Eastern Star held its final meeting of the Chapter year last Friday evennig with Lillian Agostinho, Worthy Matron, and George Jeffers, Worthy Patron, presiding for their final meteting. Several honored visitors were present including Vernita French, Worthy Matron, and Glen Devenpeck, Worthy Patron of Willow Glen Chapter, and Verena Lucas, Worthy Matron of Starlight Chapter, San Jose.

This meeting concluded the first year of the organization of Campbell Chapter, the Chapter having been instituted in October, 1944, by the Grand Officers of the Grand Chapter of California.

Lillian Agostinho and George Jeffers as the first Worthy Matron and Worthy Patrons respectively of this new Chapter were highly complimented by the members and visitors for the very efficient and fraternal manner in which they have conducted the affairs of the Chapter during its first year of existence. They were each presented with their Past Matron's and Past Patron's jewels by the Chapter and responded by expressing their appreciation and satisfaction of the work of the order during its first year.

The Order of the Eastern Star is very closely associated with the Masonic fraternity and it has been a great sense of satisfaction to the members of both orders locally to know that the new Chapter has enrolled well over a hundred members during its initial year. Best wishes were extended by all to the outgoing and incoming officers and several numbers were rendered by the Chapter choir under the direction of Marjorie Martin. The evening's festivities were concluded with refreshments in the banquet room and community singing. The dining tables were decorated with fruits and flowers appropriate to the season.

The next meeting of the Chapter will be on Dec. 7, when the new officers for the year 1946 will be installed, with Virginia Currie as Worthy Matron and Guy Levitt as Worthy Patron.

Death Calls Lucinda Naylor

Funeral services for Lucinda E. Naylor were conducted by the Rev. Robert Carlson of the Campbell Congregational church at the chapel of Amos O. Williams Co. in San Jose on Friday, Nov. 16. Miss Ruby Anderson of Campbell sang "Nearer My God to Thee."

Mrs. Naylor was buried at Morgan Hill, which was her home from 1894 to 1921. A native of Indiana, she came to California with her husband, the late Samuel H. Naylor, in 1981 and after living 27 years in Morgan Hill, came to Campbell in 1921.

A member of the Congregational church, she took an active part in Guild activities before she became an invalid several years ago. Mrs. Naylor leaves two daughters: Miss Hancie M. Naylor, Campbell; Mrs. Jessie Boyrie, Honolulu; a granddaughter, Mrs. Margaret Weber and two great-grandchildren, Lance and Stuart Weber.

Pall bearers at Mrs. Naylor's last rites were Ralph Marsh, Gilbert Newcomb, Walter Stray, Carl Field, E. L. Farnham, and Stanley Smith.

Wednesday's regular meeting of the American Legion Auxiliary marked the first anniversary of the unit. Visitors present for the occasion were Mrs. Eva Dodd, president of the 13th district; Mrs. Gladys Dower, department community service chairman, and Mrs. Jessie McKinney, department membership chairman. All three guests spoke briefly to the group.

Mrs. Clara Fagalde, poppy chairman, was authorized to purchase 3500 poppies to sell in the poppy drive.

After a short musical program the members joined the Legion for a joint celebration of the unit's birthday and the birthday of Past President Mrs. Evabelle Fuller, who was surprised with a birthday cake.

The Nov. 28 meeting will be a social one and each member of the unit will be contacted by the committee in charge.

"The Egg and I" by Betty MacDonald.

This story is unfolded with amazing humor in the extravagant use of adjectives and exaggerated style of today. Here is a book to leave in your guest room. It can be enjoyed a page at a time or by chapter. Wherever the reader opens the book he is guaranteed a chuckle within four sentences.

Betty MacDonald was married at the age of 18 and started on the adventure of helping her husband with their chicken ranch. She never quite learned to accept the chicken as anything but a menace. In their record book she often entered the cause of death as "eggzema", or "chicken pox". Her scientific husband would go over all these entries and include "cause of death—unknown".

To add to her vexations were numerous other articles. There was Stove, never very cooperative on the heating problem. There was Pressure Cooker which helped in the storing of amazing amounts of food but chose to blow up in the process of canning (of all things) a chicken.

Carrying countless buckets of water was to be the cause of Betty's hands to soon drag on the ground. Her husband had been a Marine, consequently he couldn't see any reason why a helmet full of water wasn't sufficient for the day's washing.

In spite of all this she can see the beauty of their woods and mountains and enjoy, not pity, the simple people who comprise their group of friends.

Mrs. Lillian Voge, Campbell librarian, was taken to the Peralta Hospital in Oakland last Saturday with pneumonia. At the time of going to press her condition could not be learned.

A large attendance is expected at the annual tea to be held at the What Not on Nov. 28, which will celebrate the fifth year of the What Not's existence.

Miss Laura Blaine of Gilroy is visting at the home of her parents, Mr. and Mrs. John D. Blaine, during the Thanksgiving holidays and attending the Institute while here.

S/Sgt. Arthur F. Brown, Campbell, has been recently discharged from the Army at Fort Knox' Separation Center by Brig. Gen. George D. Wahl, post commander.

Experience teaches that a strong memory is generally joined to a weak judgment.—Montaigne.

Box Office Reporter

With such favorites as Barbara Stanwyck, Dennis Morgan, Syrney Greenstreet, Reginald G a rdiner and S. Z. Sakall starring in "Christmas in Connecticut", the manager of the Campbell Theater expects a large turnout for the popular comedy which opens Sunday and runs through Tuesday.

Contrary to the slightly sentimental sounding title, the play, adapted by Lionel Houser and Adele Commandini from the original story by Aileen Hamilton, is a sophisticated comedy, more similar to a stage play than a movie.

Miss Stanwyck plays a girl who's been writing smart housekeeping articles for a magazine, owned by a millionaire, played by Mr. Greenstreet, and has built up for herself a fictional background of husband, child and country home which exists only in her imagination. When the publisher who doesn't know she's been dreaming up this background, arranges for her to entertain a war hero (Mr. Morgan) at her estate over the Christmas holiday, she agrees to marry a suitor (Mr. Gardiner) who owns such a place.

The story moves then to the estate, and a welter of complications, in the parlor-bedroom-and-bath pattern of Broadway comedies.

During the course of the picture, Dennis Morgan sings "The Wish That I Wish Tonight" by Jack Scholl and M. K. Jerome. S. Z. Sakall carries off the lion's share of the laughs.

Mrs. Edward Hanson is convalescing at her home on Second St., after a sojourn in the hospital.
